Professional Summary

Experienced software engineer and architect with over 30 years in the industry. Skilled in designing and delivering robust solutions—from small web apps to complex distributed systems. Passionate about software craftsmanship, scalable architecture, and coaching teams to thrive through well-established engineering practices.

Experience

Visma — Senior Cloud Architect & Advisor

May 2022 – Aug 2025

Advised Visma's central tech organization and its 6,000+ developers and subsidiaries on:

- Cloud migration strategies and architecture evaluations
- Design and delivery of inspirational tech talks and internal training
- AI enablement and technology assessments
- Internal consulting to align product teams with modern cloud-native best practices

Draftit — Software Engineer & Architect

Dec 2017 – Apr 2022

Full-stack development in .NET Core and React. Key achievements:

- Introduced CI/CD pipelines and improved automation

- Designed and implemented event-driven integrations
- Led architecture and operations for Azure-based services

Kodexe — *Software Developer*

Jan 2015 – Nov 2017

Delivered solutions within web, CRM, e-commerce, PIM, and integrations.
Worked across the full stack with frontend, backend, and data pipelines.

Tunstall — *Software Developer*

2007 – Dec 2014

Developed planning and execution systems for elderly and home care services.

BrandSystems — *Software Developer*

2004 – 2007

Built digital identity tools and media banks to help organizations manage graphic profiles and media assets.

Core Competencies & Technologies

- **Cloud & Infrastructure:** Microsoft Azure, CI/CD, DevOps
- **Architecture:** Distributed systems, event-driven design, microservices
- **Engineering Practices:** Test automation, refactoring, clean code, peer review
- **Full-Stack Development:** .NET Core, C#, SQL Server, MongoDB, React
- **Tech Leadership:** Transformation, mentorship, internal talks, architecture coaching
- **AI Enablement:** Evaluating and integrating LLMs and AI tooling into dev processes

Education

Lund University – *Bachelor of Political Science*

📍 Lund, Sweden | **1999 – 2003**

Languages

- **Swedish:** Native
- **English:** Fluent, professional working proficiency
